

# **REPEAL Of Boil Water Advisory**

**To the Customers of  
Newberry County Water & Sewer Authority**

**Effective:**

Wednesday, February 8, 2012.  
12:30pm

Newberry County Water & Sewer Authority (NCWSA) hereby repeals the 2/6/2012 Boil Water Advisory issued to all customers southeast of Fairview Fire Station.

Customers in the advisory area are no longer advised to boil their water prior to drinking or cooking.

Following an intense flushing of the distribution system, water samples were collected from several sites in the area and analyzed by a South Carolina DHEC certified laboratory. The results of these analyses confirm that the water is not contaminated and is safe to use without boiling.

If you have any questions concerning this Repeal, you may call NCWSA at (803) 276-7020.
